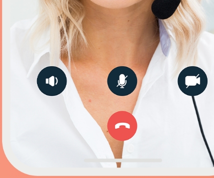
HELP AT YOUR FINGERTIPS WITH LEXIE CARE

Lexie Care is our promise that you are not alone in your journey toward achieving hearing health. You and your loved ones will get the support, information and resources you need to successfully navigate this new season of life.



Hearing experts available 6 days a week, from 9am to 8pm EST.

Talk directly to an expert through voice or video calls, using the Lexie App, or call an expert on **(779) 230-4934**

Self-guided troubleshooting

Use the videos and illustrated step-by-step tutorials available in the Lexie App if you prefer to troubleshoot yourself.

Advanced support during the first 45 days.

We guide you through the first 45 days with your hearing aids to ensure that you wear your hearing aids as often as necessary to get comfortable with them and learn as much as you can about how to use them and care for them.

Access to our Hearing Library

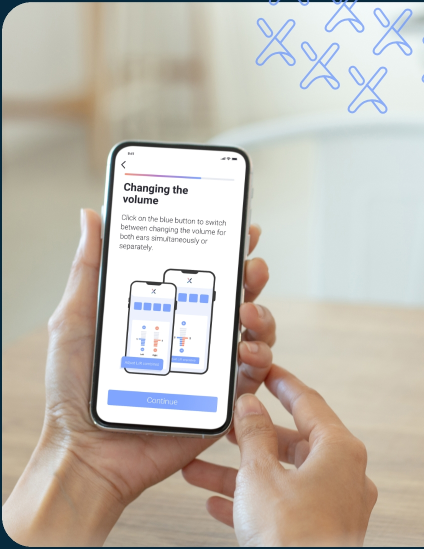
A platform that is full of informative articles about hearing loss and hearing health. There are also resources available for your loved ones, to empower them to give you the support you need.

NOT TECH SAVVY?

That’s okay!

The Lexie App was designed with you in mind, you don’t need any special tech skills to make it work.

We’re here to support you each step of the way. All you need is a smartphone and you’ll be ready to start in a few, quick steps.



Changing the volume

Click on the blue button to switch between changing the volume for both ears simultaneously or separately.
